Elegance Dark Beard Oil

Natural beard and facial oil with a classic masculine fragrance. Thanks to the rich composition of oils including: almond oil, grape seed oil and argan oil, along with added Vitamin E, your skin and beard will be perfectly moisturised and nourished. The oil leaves no greasy film on the skin. Regular use will facilitate the process of growing a long beard and significantly reduce itching. A brown glass bottle extends the shelf life of the product, thus maintaining its high quality for longer. A convenient pump makes dosing easier. A truly masculine fragrance thanks to the appropriate combination of fragrance notes: fresh citrus fruit, flower bouquet and exotic wood.
